

Clients & References

We are always happy to provide references from our customers. Here are some of things our customers have said about us.

"PDMS were completely committed to this project, and have been very much regarded as part of the team from the outset. In short, PDMS has only one chance to get this right, and quite simply, they got it right!"

Chris Swales

RaceMann Project Manager
commenting on the new IT
systems for the Isle of Man
TT races

"From the very start we wanted to work together in a partnership with the successful supplier. PDMS are large enough to take a substantial project like this on board but small enough to work effectively as part of our team. This is what made the project so successful"

Heather Croft

Business Director, Police
National Legal Database
(PNLD) talking about the
new PNLD system

"We are delighted with the successful outcome of the on-line pharmacy catalogue project. PDMS are to be commended for delivering a solution that meets our business requirements both within budget and to tight deadlines"

Joe Walsh

Head of eProcurement, NHS
Purchasing and Supply
Authority

"Given all the systems that I have seen and operated I am proud to say that this is in my opinion a market leader both in terms of its current level of development and its potential"

David Sellick

Chief Probation Officer with
the Isle of Man Probation
Service talking about our
case management system

"We have found PDMS to be a highly competent IT solutions provider with a professional and business orientated approach"

Rachel Hodson-Gibbons

Information Manager at NHS
Purchasing and Supply
Agency.

"We have the highest regard for the quality of work that PDMS have carried out on our behalf"

Bill Mummery

Technical Director at
betinternet.com. in 2002

"We have developed an excellent working relationship with PDMS and are always pleased by the level of service provided to us by the Project Manager and rest of the team"

Tim Craine

Director of the Isle of Man
Government's E-Commerce
Division

"Our experience with PDMS has been entirely favourable. They delivered the product they said they would deliver, on schedule and within budget"

Larry Losh

Black & Decker USA's
Technical Services Manager
talking about our service
information and bill of
materials system
