

Forthcoming events

GC Live 2009 9-10 June, Earls Court London

GC Live 2009 is simply the most exciting and dynamic public sector ICT exhibition and conference event of the year for public sector technologists. Jam-packed with the latest ICT products and solutions for the public sector. PDMS will be showcasing some of our recent public sector projects. [read more...](#)

ACPO-APA 2009 International Policing Exhibition, Manchester Central, 8-9 July

The International Policing Exhibition is the main annual event for suppliers, buyers, specifiers and users of all products and services for policing in the UK. This event is the biggest and most influential policing event of the year and both PDMS Ltd and the PNLD (Police National Legal Database) team will be exhibiting on a joint stand. [read more...](#)
