

Forthcoming events

GCEXpo 2008, 10-11th June, Earls Court, London

GCEXpo 2008 is simply the most exciting and dynamic public sector ICT exhibition and conference event of the year for public sector technologists. Jam-packed with the latest ICT products and solutions for the public sector. PDMS will be showcasing our recent public sector projects and our innovative Foundations TM application server framework.... read more...

ACPO-APA International Policing Exhibition and Summer Conference, 25-26th June Liverpool Arena & Convention Centre

This event is the biggest and most influential policing event of the year and both PDMS Ltd and the PNLD (Police National Legal Database) team will be exhibiting on a joint stand. The exhibition promises to be one of the busiest police events in 2008... read more...
