

## PDMS is awarded contract as a supplier as part of Framework Agreement on OGCbuying.solutions public sector procurement catalogue - Catalyst.

PDMS are delighted to have been selected as an accredited supplier for Application Development Services on the Specialist Solutions, Catalyst Framework Agreement.

Following a detailed and competitive procurement process, fully compliant with EU Directives , PDMS are one of 15 companies selected to provide end to end application development services to a wide range of public sector organisations. Chris Gledhill, Managing Director commented "This is a major achievement for PDMS and is the most important new contract awarded in the company's history. We are delighted to win a place on the framework against some very tough competition and to be alongside some of the leading names in the software industry. Our place on the framework is testament to our strong track record of delivering successful projects to the public sector and we now have an excellent opportunity to develop our services to the UK Government even further."

OGCbuying.solutions is the trading arm of the Office of Government Commerce (OGC), which is itself an office of HM Treasury. OGC was launched on 1 April 2000 as a result of a review of civil procurement in Central Government. Its aim is to achieve substantial value for money improvements in the Government's procurement budget and to oversee and implement the Government's wider Efficiency Review across the entire public sector.

OGCbuying.solutions, launched in April 2001, provides public sector procurement professionals with a route to the products and services they need to maximise procurement efficiency and value for money. Its contracts and framework agreements offer substantial savings through significant buying power, economies of scale and strategic partnerships. Once again, these savings are counted towards the Efficiency Review target.

Rigorous tendering and evaluation processes ensure that products and services are checked for quality, price competitiveness, fitness for purpose and compliance with statutory requirements. These products and services are available through OGCbuying.solutions Catalyst framework agreements and Managed Services.
