

PDMS to attend leading international gaming exhibition

ICE 2006 is one of the leading international exhibitions for the casino and gaming industry in the UK with over 150 exhibitors and an estimated 24,000 visitors. Bruce McGregor from PDMS will be attending the show as part of a delegation from the Isle of Man. The Isle of Man Government, led by Bill Mummery, have a stand at the exhibition to promote the opportunities available on the Isle of Man for the online gaming and betting industry.

PDMS have worked on online betting and gaming solutions since 1998 and have amassed considerable experience and understanding of this growing business sector. PDMS' largest gaming project to date has been the development of a complete online betting platform for betinternet.com plc. Purple Lounge are PDMS' most recent gaming customer with a website and back office administration system developed using PDMS' Foundations TM platform.
